

# VEGAS

Gorgeous 7-year-old sorrel mare with a white blaze stands a very stout 14.3hh. This mare was started late on barrels and is currently running about 3d times, she is very light in the mouth and responds very well to leg pressure, she has been to many shows in the last year and nothing bothers her. She would make an ideal youth horse. Unfortunately, due to complications she does not have registration papers. She does not have any bad habits and hauls very well.
